1) ASK Kops to Be Team Captain, PICK teams. Kops need to call each Tops members before the next meeting or the Kops pay 1.00 for each person hear she don't call.

2) Tops need to lose for 6 weeks to ~~get~~ their part to the car. If you lose you get one part for each loss for that week. If you gain you pay for each quarter of a pound. So if you gain 1 pound you pay 1.00 and so on.

3) If a Tops member becomes a Kops hear she needs to Beat or below goal for one week to win 1/2 of the pot the other 1/2 goes to the Kops team Captain.

4) Tops member need to lose 10lb's and you can make a track for the cars to go around the track, the first one to lose 10lb's wins. But if you gain you have to lose what you gain before you can go on moving on the track and pay fine for gains
