

April 24, 2010

Dear TOPS members,

I am so excited! TOPS Board of Directors has given coordinators permission to ask our chapters and members, who would like to do so, to make a contribution to help our hard-working area captains attend International Recognition Days. **This is strictly voluntary.**

Our area captains are dedicated to serving us well. This is a wonderful way to show a bit of special appreciation for all they give throughout the year.

If you or your chapter wishes to help out, please make your contribution by chapter check payable to me and send it no later than June 15, 2010. This allows time to collect and divide the funds equally among those area captains who are planning to attend IRD so they may initialize registration, travel and hotel plans.

Thanks so much for your generous show of appreciation and caring. I am so happy we are always here for each other.

If you have any questions please let me know. I am here for YOU!
TOPS Hugs,

Jessica N. Burnett
