

October 2011

I have attended 5 Fall Rally's so far and love seeing so many fantastic people. Thank you for all the warm welcomes!!! I have been traveling all over the state to attend. I started in Gering, Grand Island, Lincoln, Seward and then Bellevue. This weekend I head out to Columbus and then go to Plymouth, Ogallala and Kearney. I meet myself coming and going but o is it so worth meeting so many amazing people! If you missed your Fall Rally you missed something big and I hope you plan on attending next year. Those members that did attend, please share with your chapters the awards that were given out and how much fun you had. I personally want to thank all the members that filled out paperwork and got them to either your area captains or myself for all the winners. It takes lots of time and dedication and you deserve a pat on the back! Thank you again!!

Make sure you check out www.tops123.com and www.tops.org often for all sorts of resources as a chapter you can take advantage of!

Congratulations to the new KOPS and Longevity awards through October 1, 2011.

Effective immediately: · TOPS allows no candid photography to be taken by members during sessions at TOPS events. There will be time allowed after the events to take pictures. Thanks you for your cooperation.

It's that time of year that its starts getting dark earlier. Time change is just around the corner. When you change your clocks back, take the time to change the batteries in your smoke detectors. Just like smoke detectors batteries needs to be changed so do your batteries, making little changes can get you to your goals! Hopefully you don't need them but if you do then you will be glad that you did!

I sure hope you all are enjoying this fantastic October weather!!
