

FEBRUARY 2010

Dear TOPS Friends,

Wow, it is already February! Like the saying says "time flies when you're having fun!"

Thanks to all who turned in their resumes and weight charts. Congratulations in advances to all the winners! I am very proud of each and every one of you. I am looking forward to honoring the winners at SRD!

I am enclosing your copy of the resume and your chapter winner certificates if you had any. Congratulate them and let them know how proud we are of them. It takes hard work and dedication and they have earned it. They are true inspirations.

As Carol (Regional Director) and I were going through the weight charts we thought it would be helpful to give you some information to help you out on the weight charts.

1. My FSID # is 687.
2. KOPS leeway chart. This will help you, as the weight recorder, to make the decision if the member keeps or loses their KOPS status.
3. On the back of the KOPS leeway chart, I put all your KOPS information on them. This will help you fill out the information on your KOPS weight chart. (If you have no KOPS, the back of your sheet will be blank. Keep this sheet for further reference.)
4. On the weight charts use the following abbreviations: AB – Absent; EX – Excused; NM – No meetings or just put their weight in the square. This helps when going through the weight chart and makes for fewer errors at Resume time.

I am very proud of my officers and all they do. Keep up the great work! If you have any question or comments please don't hesitate to call or email, I am here for you!
